SAGA
MMXXII

SAGA 2022 EXHIBITION

An integral component of the Conference is the exhibition & trade show which has steadily grown at each event – this year’s venue provides world class facilities allowing both exhibitors and delegates to interact in style.

Hosted on the doorstep of the largest mineralised and mined province in the world, the show provides a one stop shop for all the best geophysical products and professional services drawn from across the globe – exploration and mining, geology and engineering professionals cannot afford to miss out!
